

# SEC Teacher Survey Field Coordinator Reflection

Dear field coordinator, we thank you for participating in the SEC teacher survey of Primary 1-6 English and mathematics instructional content that was conducted in Jigawa and Oyo in August 2022

We are conducting a follow-up reflection activity to obtain feedback from you as a field coordinator with the goal of using this feedback to inform the design of similar surveys in future.

Using your own words, please respond in the best possible way you can to the four questions that follow. There is no right/wrong answer – your responses reflect your own perspective.

The information you give us will not be used in any way to identify or victimize you, and there is no known risk to you that will arise from your participation in this reflection exercise.

## Question 1

The success of the survey exercise in part depended on your ability to quickly grasp the structure/layout of the survey tools in a way that could enable you explain in simple terms to teachers what was required of them during the completion of the survey tools. Describe your experience of grasping and explaining the structure/layout of the survey to the teachers

**1. Question 1 (i) :**

Field coordinator's experience of grasping & explaining the structure/layout of the survey (for example, what was easy, what was hard? Etc for both the day 1 and day 2). You can state whether this was the same or different for Oyo and Jigawa
